Re: License Application Submission Procedure

Date: September 12, 2021

Hello Sir,

Please accept this as a written request for the Hunt County Bail Bond Board to consider the following alterations to its policy in regard to the submission of a Bail Bond Application. Currently, all agents are required to submit one original and ten additional paper copies of the initial and renewal application. It is our desire that discussion take place that would potentially improve the policy by submitting one original application and one redacted PDF version which could then be distributed by E-mail to all members of the board.

This change would not only be more cost effective and environmentally friendly, but would also allow the sensitive information for applicants and runners such as social security and drivers license numbers to be protected.

Taylor Bail Bonds is currently licensed in a number of counties which already employ this policy to everyone's satisfaction. Your consideration in regard to opening this discussion would be greatly appreciated.

Sincerely Yours,

Donna Lynn Fletcher
