Greetings,

At this time we would like to notify the Board we will not be applying for renewal of the license for Reliable Bail Bonds with American Surety. The current license will expire on October 15, 2023.

We will continue to report liability as we have in the past until the liability is at a zero balance. We have consulted with Roger Moore, who remains the point of contact for American Surety, regarding the non-renewal. Should you have any questions or concerns please do not hesitate to ask.

Thank you,
