

Special Session
August 3, 1987

The Hunt County Commissioners Court met this day at 9:00 am in the Commissioners Courtroom with all members present except for Allen L Martin. The purpose of the meeting was to review computer proposals for the computer services in the Tax Office and Auditors Office. Judge Farris drew names as to the order in which the vendors would make their proposals. The order of presentations were:

User Systems	9:30-10:15
North East Texas Data	10:30-11:15
Software Group	11:15-Noon
Jordan & Assoc.	1:30-2:15
CPS	2:30-3:15
MAI - Basic 4	3:30-4:15

The Court generally agreed that all vendors would be allowed to make their presentation even though some of the vendors proposals were for a lease purchase & not a monthly rental. Judge Farris offered those vendors who proposed a lease-purchase to come back with a monthly rental and offered to those vendors who proposed a monthly rental to submit a lease-purchase. After hearing all presentations, the Court took no action. Court adjourned.
