Re: Approval of Lone Oak Civic Center  
for polling location for Box 320.

Gentlemen:

Due to the renovation of the Lone Oak Fire Station during the March 14th Primary Election, the Democratic Party had to move their voting location next door to the Lone Oak Civic Center. When contacting the Justice Department in Washington, D.C. concerning this matter, the party also requested that this location be made the permanent voting location for Box 320. This building is large enough to accomodate both parties during the Primary Elections, it has enough floor space, tables & chairs needed to hold an election.

I am asking the Court to approve this location as a regular voting location for Box 320. I've contacted both party chairman with this recommendation & it meets with their approval.
