

COMMISSIONERS COURT
REGULAR SESSION
March 8, 2004

The Hunt County Commissioners Court met this day at 10:00A.M. with all Commissioners present with Judge Joe Bobbitt presiding. Minutes of the previous meeting were approved as submitted.

NEW BUSINESS:

9031 On the motion by Phillip Martin, second by Ralph Green, the Court approved renewal of Crime Policy (covering theft, travel to bank for Ms. Barrow and employees and destruction of valuable property) for the Hunt County Tax Office through Hartford Insurance with Steve Ramsay with \$2.5 million coverage / \$25,000.00 deductible.

9032 On the motion by Judge Bobbitt, second by Phillip Martin, the Court approved donation of retired 1998 model vehicle to the City of Point, contingent upon an Interlocal Agreement between the City of Point and Hunt County, to allow transfer of title of this vehicle. Mayor Kerry of Point stated their City Attorney will contact our County Attorney to prepare this Agreement. Judge Bobbitt also stated he would contact the Maintenance Dept. concerning settlement on any parts cost in getting this vehicle ready. *See Attachment.*

9033 On the motion by Green, second by Martin, the Court approved implementation of the State of Texas Procurement Card Program thru Bank One to replace the County's Current Commercial Card Program. Diane Terry with the Auditor's Office stated there will be no fee/no limit to cards, with Smart Data On Line it will provide 24-7 access to card information, easier on the accounting side for the Auditor's Office, with no extra costs and provides more control on expenditures. This program also allows rebates available after \$125,000.00 based on full use of the State's program. Judge Bobbitt stated County Auditor's Office to disburse cards and to be responsible for cards.

9034 On the motion by Martin, second by Jim Latham, the Court approved the Resolution between Hunt County and City of Quinlan regarding a Local Option Liquor Election to be held May 15, 2004. *See Attachment.*

9035 On the motion by Judge Bobbitt, second by Green, the Court approved Order of a Local Option Liquor Election to be held on May 15, 2004 as a Joint Election with the City of Quinlan. *See Attachment.*

9036 On the motion by Latham, second by Kenneth Thornton, the Court approved approximately 300 ft. of road upgrade of dirt to rock on CR 4414 in Pct 4. Money deposited into Escrow account, with usual stipulations.

9037 On the motion by Martin, second by Latham, the Court approved request of FEC Electric to construct electrical power distribution facilities along and across CR 3609 in Pct 3, with the usual stipulations.

9038 On the motion by Green, second by Martin, the Court approved replat of Lots 14 & 15 in the Graham Point Estates in Pct 2.

9039 On the motion by Martin, second by Latham, the Court approved request to implement credit card payment program with Certified Payments, Inc. in order for the public to pay taxes, fines and court costs and other fees in Hunt County. Representative - Forrest Collette stated this service would be at no cost to the County; cost to be charged to the user. This service would be beneficial to our tax payers and the Tax Office allowing payments to be made from their homes or on a payment computer set up in the front foyer of the Tax Office. Some stipulations will be that no clerk will handle credit cards – payments to be made by the customer only and absolutely no refunds – credit to be credited back on credit cards. This process will have no security issues. The Court agreed this would be a staged process, starting with Tax Assessor Office only at this time, caution to be taken when adding new offices.

— ‘Discuss and possibly take action to authorize County Auditor to seek proposals for the financing of the Johnson Controls Project (\$1,386,000.00).’ County Auditor – Jimmy Hamilton stated the amount needs to be corrected to \$1,416,000.00, the Court needs to decide whether or not we want to go out for RFP Lease Purchase dividing into 2 schedules: Phase 1 (pay off of \$480,000.00) for a remaining 7 years and Phase 2 for 10 years. After much discussion, Judge Bobbitt ask that this item be placed on

OLD BUSINESS next Court to allow time for preparation of a good document to take action on. Judge advised the Commissioners if anyone had any further questions to contact the County Auditor. Commissioner Green ask if the parking lot will be included

in this amount; Judge Bobbitt advised the Court the parking lot does not qualify under the energy savings program, therefore, in the future we will need to consider how we want to pay for the parking lot.

9040 On the motion by Martin, second by Thornton, the Court approved request of County Treasurer and County Auditor to proceed with securing a proposal for a new financial accounting and payroll system from Incode to be brought before Commissioners Court for final approval. Jimmy Hamilton advised the Court in the future the State will want to know more and more information on how counties are spending their monies. TAC has also advised us to always be prepared to give the State information more quickly or we might come up on the short end. Also, due to GASBY 34 and the breakdown now required on our spending, which we are already dealing with, we feel we need to move on to a computer system that will provide what the State request of us. Therefore, we feel that the Incode System has the flexibility of what the State is requiring from each County and is on the State Procurement Program. Funding to be paid through the Records Management Fund (RMF). The Court also agreed to contact Erroll Mullins to act as a consultant for the implementation and negotiation of this new system.

9041 On the motion by Green, second by Thornton, the Court approved a 6 month lease for a portable building (46'x 12') delivered, set up / take back for \$2,699.50 with air conditioning to be used by the 354th District Court for the Jury's to be able to adjourn to while using the Auxiliary Courtroom at Juvenile Detention Center. The 196th District Court will share the Courtroom with the JP's at the new Jail. Both District Courts have agreed to relocate in these locations due to the renovation process. Agreement has also been made to temporarily house the Court Coordinators and Judge's Office in the newly acquired space of the County Clerk's Office on the 1st Floor.

Hunt County Commissioners Court

Dear Commissioners;

The City of Point, Texas, would be grateful for your considering the donation from Hunt County of a surplus Sheriffs 1998 Ford Crown Victoria to be used as a patrol car in our city and area. We understand this includes a surplus light bar, cage, spot light and push bumper.

With the proximity of Point to the Southeast corner of your County and to Lone Oak, this may strengthen both of our law enforcement endeavors in the area.

Point started a Police force October 1st, 2003 and at present has one operational squad car. This donation would increase our Department 100% as we are planning on putting on a reserve officer.

Thank you all for your time and consideration
