Dear Commissioner's Court,

Farmers Electric is requesting (6) six new single-phase power line road crossings across CR 2452 in order to serve the new subdivision Poetry Square Estates. New crossings will be between lots 16 & 17, between lots 18 & 19, between lots 20 & 21, between lots 22 & 23, between lots 25 & 26, and between lots 32 & 33. Also, we will be running a new single-phase power line parallel to CR 2452 starting at lot 25 and ending at lot 30. I will attach our layout for your review.

Thanks,

Sam McNeely
