RE: Request to underground bore beneath CR 4704 for a pathway for a natural gas service line for primary residence.

Dear Hunt County Commissioners' Court:

I am requesting approval to underground bore beneath CR 4704 at the physical address of 6761 CR 4704, Commerce, TX 75428 to provide a pathway for a natural gas service line to a primary residence. I am the property owner of property ID 227759, with the physical address of 6761 CR 4704, Commerce, TX 75428. We are in the planning stages of building our primary residence and I am coordinating with Atmos Gas to provide a natural gas service line to my primary residence.

I have attached a drawing illustrating the location of the underground boring request and tentative pathway of the natural gas service line.

Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,

Cole Swinson
