Re: Villages at Lone Oak, Hunt County
Roadway Inspection

Dear Ms. Pemberton,

On September 25, 2020 Commissioner Martin and myself made a scheduled on-site inspection of the roadway repairs on Bluffview Lane and Longview Lane made by Scott Paving. We also inspected core samples of the road sections. As the Hunt County engineering representative, by means of a general observation, the roads appear to be in acceptable condition and meet the general design guidelines for Hunt County. We recommend that Hunt County accept the roads for County maintenance purposes.

Please contact me should you have any questions or need additional information.

Sincerely,

Mark Hickman

Mark H. Hickman, P.E.
Principal Engineer
On behalf of Commissioner Phillip Martin & Hunt County
