JENNIFER LINDEZWEIG
County Clerk, Hunt County, TX

property is unneeded ultimately rests with the Purchasing Agent as authorized by Commissioners' Court.

The Purchasing Agent shall furnish a list of transferred supplies, materials and equipment to the County Auditor.

E. Missing or Stolen Property

Lost or stolen property must be reported immediately. The Elected/Appointed Official or Department Head must make reports when an item is identified as "missing" and the department cannot prove that theft occurred. Assets identified as "missing" shall not be immediately removed from the inventory listing, but shall be retained until a thorough search can be made to determine that the asset is not located elsewhere in the county. The user department is required to make a thorough and adequate search for the missing item and document steps taken to locate the asset.

After the initial physical inventory certification is provided to a County Department, items not located during subsequent inventories will be subject to a timeframe before allowing any removal of assets from inventory.

To allow sufficient time to find the item, "missing" assets will be retained on the inventory list for a one year period. At the end of the one year period in which a missing item is not located, the responsible Elected/Appointed Official or Department Head shall provide a memo to the Purchasing Agent and the Commissioners' Court outlining the circumstances surrounding the missing item. The Elected/Appointed Official or Department Head shall also jointly present to the Commissioners' Court voting session in which the Purchasing Agent makes a request of the Commissioners' Court to remove the item from inventory.

If an item is stolen, the Elected/Appointed Official or Department Head shall report the stolen item(s) from their department immediately to the Hunt County Sheriff's Office and the Hunt County Risk Manager and shall complete an incident report. The user department shall send a copy of the incident report to the Purchasing Department.

F. Disposal of Surplus or Salvage Property (LGC§263, Subchapter D)

The Purchasing Agent may periodically request that the Commissioners' Court declare property "surplus" (in excess of needs, but still useful) or "salvage" (valueless property). Surplus or salvage property may be sold by competitive bid or auction by the Purchasing Agent as provided in Section §263 of the Local Government Code. Surplus or salvage property is not limited to capital items as defined herein.

County employees will be given the same opportunity afforded to other persons to bid on and purchase surplus properties offered at a public sale or auction. Purchasing Department employees (directly or through third party) **may not** bid on items sold at auction.

No Purchasing Department employee or his or her immediate family may bid on property sold through a Sealed Bid Sale. Purchasing Department employees may not knowingly purchase or receive merchandise through a third party through a Sealed Bid Sale.

Hunt County may sell, donate surplus or salvage property to another county, political subdivision or non-profit organization within the county, or offer the property as a trade-in for new property of the same general type with approval of the Commissioner's Court. The Commissioners' Court may order the property to be destroyed or disposed of if bids are not received from a public auction or sealed bid sale.

G. Inventory Arrangements – Resignation, Retirement or Removal

When an Elected Official or a Department Head leaves his or her County employment, arrangements must be made with auditing for an inventory far enough in advance to insure that the inventory can be taken before the termination date. The Auditor / Purchasing department will provide to the Commissioners' Court a full report, noting any discrepancies between property actually located and property listed on the inventory. The Elected/Appointed Official or Department Head will be personally accountable to the Court for all missing items.

H. Annual Inventory

On July 1 of each year, the Purchasing Agent shall file an inventory of all property of the county with the District Judges, County Auditor and Commissioners' Court based on the information submitted by the Elected/Appointed Officials and Department Heads for the purpose of financial accounting and inventory control.

I. Semi-Annual Inventory of Weapons

Any department that is in the possession of a Hunt County issued firearm(s) will have their firearm(s) inventory done on a Semi-Annual basis.

XII. LEGAL BASIS FOR PURCHASING

A. Govt. Code Chapter §2254 -- Professional Services Procurement Act

Counties may not bid contracts for professional services. These contracts instead must be awarded on the basis of "demonstrated competence and qualification for the type of professional services to be performed." Fees must be "fair and reasonable," consistent with and not in excess of published recommended practices and fees of applicable professional organizations, and not in excess of any maximums specified by State law. "Professional services" includes services within the scope of the practice of: accounting, architecture, optometry, professional engineering; this includes services performed by any licensed architect, optometrist, physician, surgeon, certified public accountant or registered professional engineer in connection with his or her professional employment or practice.

B. Code Chapter §271, Subch. D -- Purchase Under State Contract

The State Purchasing and General Services Commission may perform purchasing services for local governments (including counties). The county may participate by adopting a resolution. The contents required in the resolution are stated in the statute. A county that purchases under state contract satisfies all competitive bidding laws. As per Resolution #11132007 adopted by the Commissioners' Court 11/13/07.
