GREAT FUTURES START **HERE.** 2022 Q2 Update

for Hunt County

AUG 23 2022

BECKY LANDRUM
County Clerk, Hunt County, Tex.

RECY DAVIS HIGHLIGHT:

Popsicle Patrol is a favorite at the Club! Community members get to come and enjoy the fun summer program with the kids and provide them with popsicles. The kids look forward to this every week- especially connecting with members from their community!

IMPACT: Teaching kids that they are a part of the community and showing them how to participate is key.

LONE OAK HIGHLIGHT:

Food programs are an important part of what the Club provides in the Summer time. Here, you see the excitement on the faces of two of our Lone Oak kids. Lunch time is a time to relax, eat a healthy meal, and connect with peers.

IMPACT: Prevention programs start at basic needs- our clubs are able to meet those needs and educate youth on the consequences of risky behaviors.

COMMERCE SPORTS LEAGUE

In Commerce, we are currently managing the sports league, where we offer youth access to basketball, soccer, and baseball/t-ball- all while implementing our youth development strategy to ensure that they are on track to achieve great futures. We are looking forward to the coming league.
