RE: Request for Road Closure for CR 4617 Road Crossing

Dear Andrew,

Carstensen Contracting, Inc. (CCI) is submitting this letter as a request for permission from Hunt Co. to cross CR 4617 as part of the Lake Ralph Hall Pipeline project.

CCI will be crossing the road per the attached project plans and specifications. Traffic on CR 4617 will be re-routed during the crossing work per proper TXDOT traffic detour signage. The work is expected to take approx. three days. During this time, the detour will be in place. The detour will be removed promptly after completion of the crossing. CCI will notify residents in the vicinity of the closure to inform them of the closure and detour in advance of the work.

If you have any questions or concerns with this request, please contact me at 701-388-5149 or kwurpts@ccimnn.net.

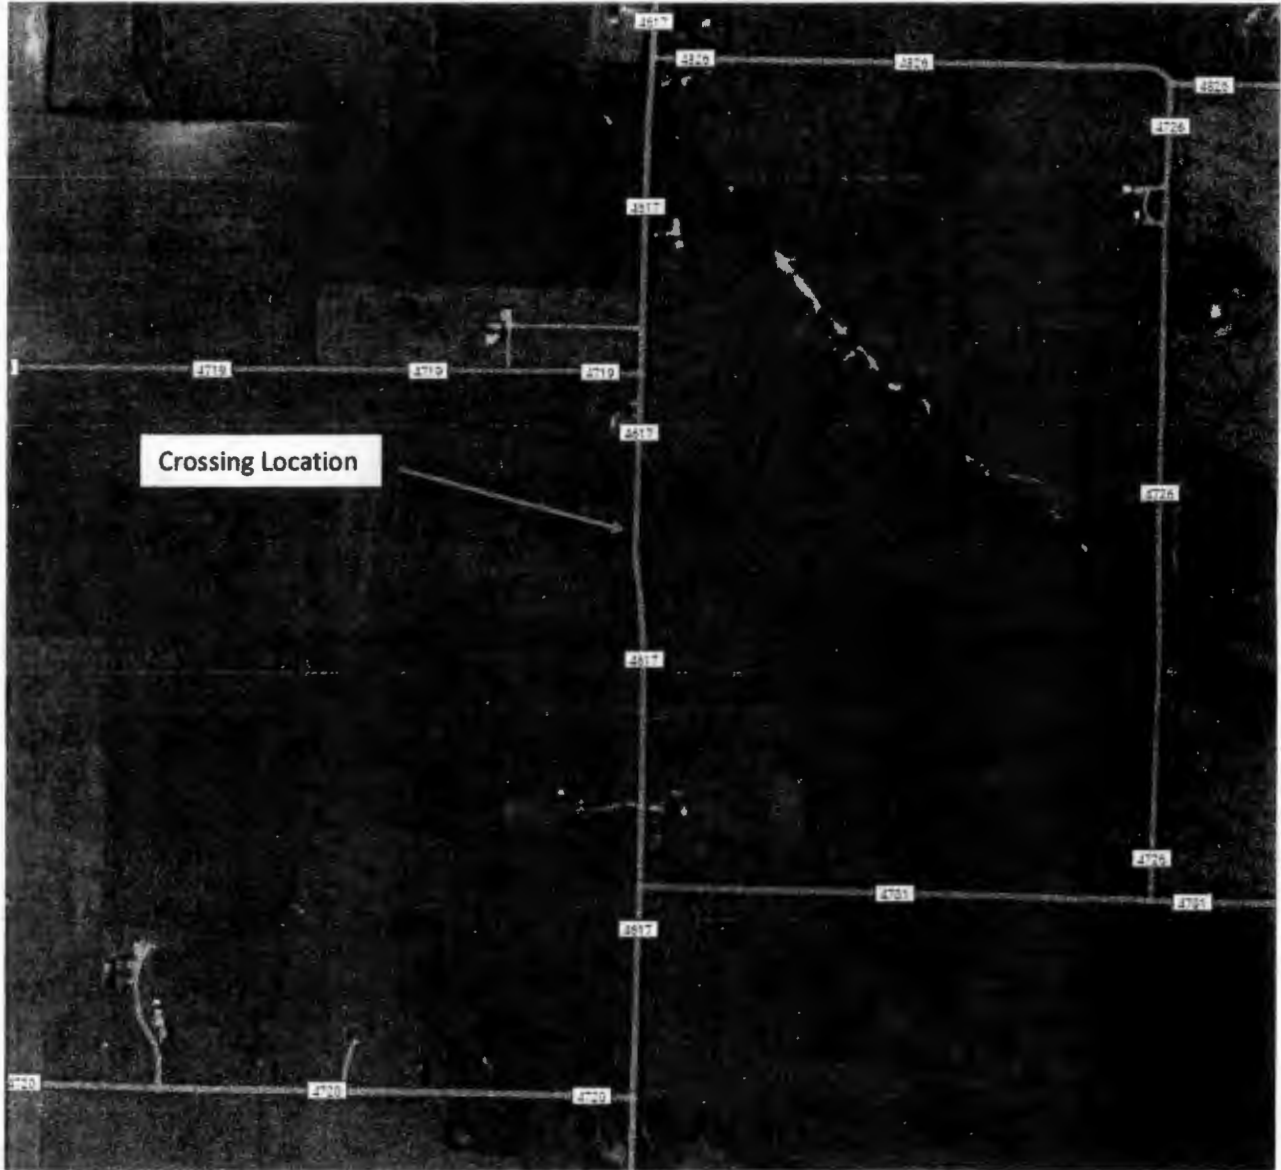

Respectfully,

Kaley Wurpts
